Potager garden. A potager is a French term for an ornamental vegetable or kitchen garden. The historical design precedent is from the Gardens of the French Renaissance and Baroque Garden à la française eras. Often flowers (edible and non-edible) and herbs are planted with the vegetables to enhance the garden's beauty. The goal is to make the function of providing food aesthetically joyful.

I'm often asked about how to grow citrus indoors or how to grow citrus in containers - and while I am hardly an expert on raising citrus fruit, I have been growing many citrus in pots since, well, when I was a kid.

Growing with plants

Regular composting, also known as "cold composting", involves placing a variety of organic materials in a compost bin, enclosure, or even just in a large heap, and leaving it there until it breaks down several months later. It's a very slow process and typically takes 6 to 12 months. It can be sped up...
