Neither a feckless knight-errant nor a king who neglected his kingdom, Richard I was in reality a masterful and businesslike ruler. In this wholly rewritten version of a classic account of the reign of Richard The Lionheart, John Gillingham scrutinizes the reasons for the King's fluctuating reputation over successive centuries and provides a convincing new interpretation of the significance ...

Yale Academics Yale combines the immense scope of a world-class university with the close-knit community of a liberal arts college. Physically and philosophically, the College is at the heart of the University, which means that our undergraduates have ample access to the vast array of resources on campus. Yale students find that their classmates
