Vulnerability . If you carefully read the information on this webpage, you will learn that, although the fear of flying isn't really about the risks inherent in aviation, it is based in the uncomfortable awareness that life is fragile and vulnerable, and that none of us—much like the man in the fictitious opening story—has any real control over it, whether in the air or on the ground.

Is it "Healthcare" or Disease Care?. True "healthcare" would be the care of the very basic unit of life, which as we know is the human cell. This comprehensive care would begin in our very early years, conceivably from conception, involving a system focused on the healthy maintenance of the cells and thus, the non-interference of cellular function, and subsequently unaltered DNA ...
