Plot. Joel Goodson is a high-achieving high school student who lives with his wealthy parents in the Chicago North Shore area of Glencoe. His father wants him to attend Princeton University, his alma mater, so Joel participates in Future Enterprisers, an extracurricular activity in which students work in teams to create small businesses. When his parents go away on a trip, Joel's friend, Miles ...

Risky Business - Wikipedia

With laws in many states allowing the use of marijuana under a variety of circumstances, it is important to understand how it can affect mental health and when its use becomes a serious problem. Please note- this webpage is speaking about marijuana in general and not CBD or other derivatives.

Risky Business: Marijuana Use | Mental Health America

Information technology risk, or IT risk, IT-related risk, is a risk related to information technology. This relatively new term was developed as a result of an increasing awareness that information security is simply one facet of a multitude of risks that are relevant to IT and the real world processes it supports.
