A river is a natural flowing watercourse, usually freshwater, flowing towards an ocean, sea, lake or another river. In some cases a river flows into the ground and becomes dry at the end of its course without reaching another body of water. Small rivers can be referred to using names such as stream, creek, brook, rivulet, and rill. There are no official definitions for the generic term river as ...

River - Wikipedia

A tidal river is a river whose flow and level are influenced by tides. A section of a larger river affected by the tides is a tidal reach, although it may sometimes be considered a tidal river if it has been given a separate name. The Brisbane River, which flows into the Pacific Ocean from the east coast of Australia, is also a tidal river. Generally, tidal rivers are short rivers with ...

Tidal river - Wikipedia

River Flows in You ist eine Komposition des südkoreanischen Pianisten Yiruma. Sie wurde 2001 auf seinem zweiten Album First Love erstmals veröffentlicht. Populär wurde das Stück, nachdem es von den Fans der Twilight-Serie als Favorit für die Untermalung einer romantischen Szene gewählt wurde, in der Vampir Edward seiner Geliebten Bella eine Melodie auf dem Klavier vorspielt.

The mission of the Bay-Delta Office (BDO) is to plan facilities and implement actions in the Sacramento-San Joaquin Delta to improve water quality, water supply and reliability, and the ecosystem. The Office develops and maintains computer simulation models to analyze the effects of projects and actions proposed or undertaken by the Department or other agencies.
