robbins and judge organizational pdf

An organizational structure defines how activities such as task allocation, coordination and supervision are directed toward the achievement of organizational aims. Organizations need to be efficient, flexible, innovative and caring in order to achieve a sustainable competitive advantage. Organizational structure can also be considered as the viewing glass or perspective through which ...

Workplace incivility is disrespectful and rude behavior in violation of workplace norms for respect." The effects of incivility include increased competitiveness, increases in sadistic behavior, and inattentiveness. A study of cyber incivility showed that higher levels of incivility are associated with lower job satisfaction, lower organizational commitment, and higher turnover rates.
