Payment and settlement. Payments play a key role in the smooth functioning of the economy. The Bank of England acts as a settlement agent for banks and others who are members of several payment systems.

What does the Bank of England do?

Banking in India, in the modern sense, originated in the last decade of the 18th century. Among the first banks were the Bank of Hindustan, which was established in 1770 and liquidated in 1829–32; and the General Bank of India, established in 1786 but failed in 1791. The largest bank, and the oldest still in existence, is the State Bank of India (S.B.I).
