A counterfeit watch is an illegal copy of an authentic watch. Many high-priced luxury brand-name watches such as Rolex, Cartier and Bvlgari are frequently counterfeited and illegally sold on city streets and the Internet. According to estimates by the Swiss Customs Service, there are some 30 to 40 million counterfeit watches put into circulation each year.

Few things impact revenue as much as price. And yet, the average SaaS startup spends just six hours on their pricing strategy. That's not six hours a week, or six hours a month - six hours, ever, to define, test and optimise their price. It's understandable - with such an overwhelming number of pricing models, strategies and tactics available, it's almost impossible to know where to start.
